The 2026 Splash Art Collection features 91 artworks generously donated by acclaimed and emerging Canadian and international artists. This year's collection features works by some of today's most compelling voices in art, including: Edward Burtynsky, Dana Claxton, Stan Douglas, Marie Khouri, Sara Anne Johnson, and Moses Salihou. Two exhibition highlights this year are, *Bar and Black Jaguar, Tsimshatsui*, by Greg Girard, and *Homeland Vigil*, a painting by Tiko Kerr. The *Preview Exhibition* offers the public the rare opportunity to view this diverse collection.

Presented by Nicola Wealth, co-chaired by Christie Garofalo and Bruce Munro Wright, O.B.C., Splash is Arts Umbrella's flagship fundraising event.
